

MEMBERSHIP INFORMATION

Live and On-Demand Videos in the “Cloud” No Special Hardware or Software needed to buy Online Access from any location

The Free ‘Basic’ Service

It is always free to join on request by any educational institution in NZ.

The free sections - Live Streams of selected television channels, the Library, the Shop, and other eTV discretionary services do not attract any sign up or ongoing access fees.

Sign up online for all staff access.

Library Media Hosting

Upload videos and related materials to the Library for online access by staff and students, with eTV metadata and search tools.

eTV's [Video Library Hosting Service](#) is available in the eTV Basic Package.

A nominal monthly hosting fee of \$0.60c per GB (GST ex) applies but there are no traffic fees. One GB holds approx 2 hours of video. So each hour costs ~\$0.30c/month to host.

All costs GST ex

The ‘TV Recordings’ Service

TV programmes recorded daily from over 40 Freeview, SKY and International Channels with unlimited access to the back-catalogue of over 14,000 TV Recordings, previously requested by our members.

Subscription is \$2/student/year (excl GST) plus one-off sign up fee.

Subscriptions renew at the same time the following year, OR Subscriptions begin later in the year can be prorated on the remaining months till a renewal in February the next year.

Sign up fee is one-off.

EFTS	Fee (GST ex)	EFTS	Fee (GST ex)
500+	\$500	300-400	\$300
400-500	\$400	under 300	\$200

Screenrights

A Screenrights Licence is required for the TV Recordings Service. If you have one, we can set you up with a Trial right away!

If you do not yet hold a [Screenrights Licence](#), consider taking up a **one month free Trial Screenrights Licence** so that you can assess the value for teaching and learning of being able to access all our eTV Recorded TV programmes.
