

eTV SCHOOL SIGN UP AND SELF REGISTRATION LOGIN PROCESS

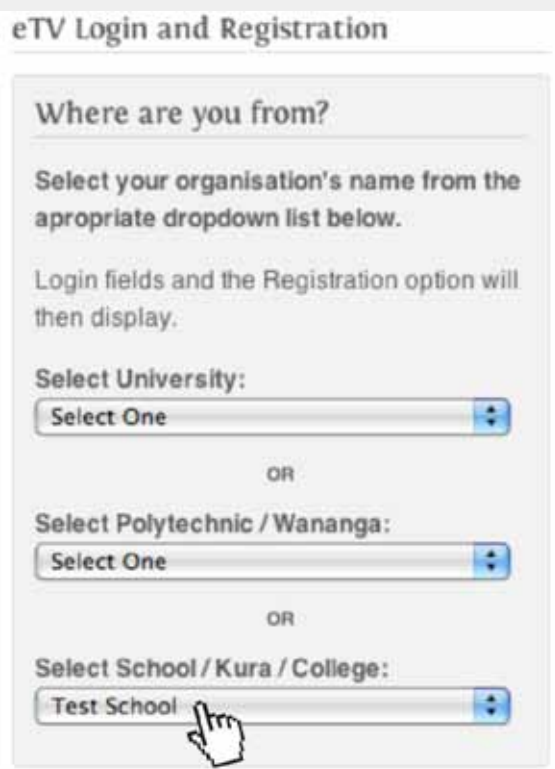

All Schools in NZ can be set up with eTV's Free Basic Service

This includes the Library where NZQA content can be accessed

STEP 1 Find your School

Go to the eTV login page www.etv.org.nz

Click on the School/Kura/College Dropdown list

Start typing your School name and the list will jump to School names with the letters entered. If your School name appears, click on it and go to Step 3.

If your School name does not appear, any teacher or Administration staff person can ask for their School to be set up with access on eTV.

STEP 2 Request School set up

To ask for your School to be given free access to eTV, click on the blue word-link “here” to the left of the login box:

Click [here](#) for more information
or
the red ‘**More Information**’ button
in the Flash graphic window.

Fill in the online form and send it to eTV. Your school will be set up. A confirmation email with complete information about eTV will be sent by return.
